Furniture & Interiors

## Custom-made furniture

We are specialists in custom-made furniture. With our state-of-art workshop, and skilled personnel, we are able to recreate special designs in quality finishes

## Turnkey Solutions – Our IDENTITY Speaks more than our aesthetics.

### What do I need?

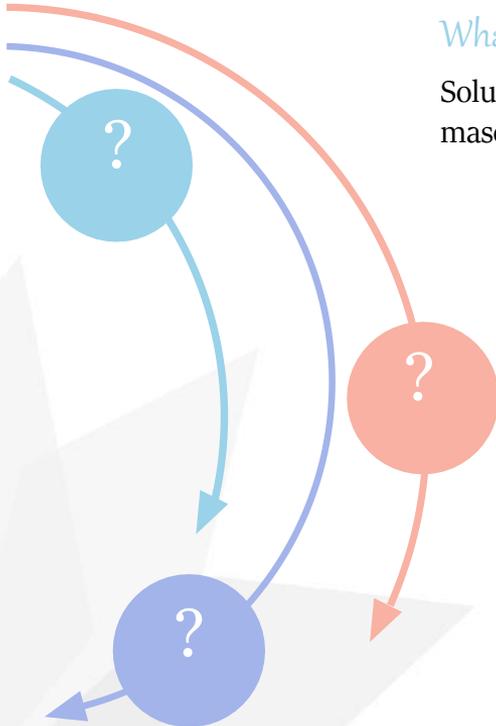

Solutions which includes but not limited to Sub-Contracting professionals like Carpenters, Painters, masons, Aluminum and Glass, Electricians, etc.

### Where will I find?

Our team consisting of professionals with technical know-how in the fields of architecture, Engineering, Interior designing and Business development, with adequate experience in their respective areas of expertise.

### Our Works?

We craft creative solutions that suits the business needs of our clients. Our core value exceptional client service and primary goal-- IDENTITY, has helped us to successfully complete more than 200+ projects spread across South India.

# Kitchens and Wardrobes

We offer a wide range of designs, colours and finishes to suit every need, whether it be for an individual or large development projects.

# Business Area

01

## Interior Fit Outs

We accomplish every element of the interior framework from design to space planning of our clients requirement through our structured fit-out solutions. We are one among the very few companies with complete, end-to-end turnkey solutions. We provide services from fit-outs, services, electrical, air conditioning to security.

02

## Design and Build

We manage our design-build for office refurbishment, fit-outs and interior design through a systematic four- step approach. Here we also suggest ideas based on our experience. A complete survey of your office space is conducted and designs are generated based on current and future requirements.

03

## Site Management

As principal contractors, health and safety are a priority at our company and we take full responsibility during construction. Our specialized team comes up with a health and safety plan that protects those working in and around our site. We are determined to work towards eliminating hazards, reducing risks and spreading awareness of residual risks and to ensure that work is done on time & within budget & to the right quality standards.
